China Brainstorm

Please have this completed by Monday, you will need it in class. Look through your notes and write down at least one issue for each box. Then write down at least two other issues that you may find interesting outside of what we learned in class and put them in the category.

Chinese Issues	From Class	Outside of Class (You only need 1 for 2 issues Ex: 1 Political issue and 1 Economic issue.)
Political Issues		
Economic Issues		
Environmental Issues		
Social Issues
